PRODUCT DATA SHEET

K.O. DIRT BLASTER™
Dirt and grease stripper

Description

K.O. DIRT BLASTER™ is a high pressure cleaner and degreaser for small condenser coils found in restaurant and food service refrigeration, air conditioning, electrical and mechanical equipment. K.O. Dirt Blaster™ strips off dirt and cooking grease without a water rinse. It contains a quick drying safety solvent and has a pleasant citrus scent. Its high dielectric strength and non-flammable formula is great for most coil cleaning applications.

Application

K.O. Dirt Blaster™ quickly dissolves grease and oil on refrigeration coils, oil burner surfaces and other machine parts. K.O. Dirt Blaster™ is non conductive, so it will not short out electrical equipment such as switches, relays, circuit breakers, motors and electrical components. It is particularly effective on restaurant grease and other greasy surfaces.

Characteristics | Features

- Dissolves grease quickly
- Pressure washes small condenser coils without a water rinse
- Quick Drying/ Pleasant citrus scent
- Non-flammable
- Safety Degreaser Solvent
- No CFC's

Packaging

Code	Size	Qty per Case	Lbs. per Case	Cubic Ft per Case
88438	20 ounce aerosol	12	19	0.52

Instructions

**READ ALL DIRECTIONS, SDS AND WARNINGS ON LABEL BEFORE USING
DO NOT USE ON HOT SURFACES, PLASTICS OR PAINT WITHOUT TESTING FIRST**

Removes wax finishes.

FOR USE ON CONDENSER COILS

1. Shut off equipment.
2. Loosened debris may be pushed through coil fins or may cause dripping or staining. Place cardboard behind coil to block any loosened debris or used products.
3. Saturate condenser coil with K.O.™ Dirt Blaster.
4. Wait at least 5 minutes before starting up equipment.
5. Although K.O. Dirt Blaster™ needs no rinsing or wiping, water pressure may be used to float out debris.

FOR USE ON OIL BURNER AND ALL OTHER EQUIPMENT

1. Spray on. The heavier the dirt and grease layer, the heavier the spray.
 2. For heavy films and tars, allow 5 minutes soaking time, then wipe or flush off.
- For best results use only on cool surfaces.
