

LOW VOLTAGE TESTER

T100-10

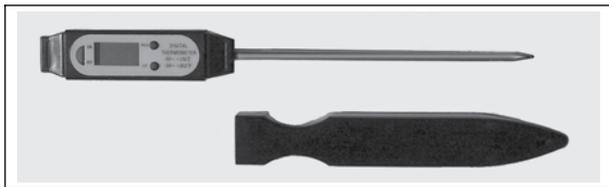

CORD & CLIP SET - 8' Long

Clips are heavy duty, insulated with color coded boots, and rated at 20 amps!

T100-50

JUMPERS - Insulated & non-insulated

T100-70 through -84

POCKET DIGITAL THERMOMETER

T100-120

POCKET DIAL THERMOMETER

T100-125, -130

SMOKE, VOLTAGE TESTERS, CORD & CLIP SET, JUMPERS, POCKET THERMOMETERS

<i>Item No.</i>	<i>Reference No.</i>	<i>Description</i>
T100-10	LV Tester	Pocket low voltage tester, 5 - 50 VAC/VDC
T100-50	7328	110 VAC/15A cord & clip set, 8' long cold weather flexible wire, w/ground wire clip
T100-70	JW-12	18 gage stranded wire jumper, non-insulated clips, 12" long
T100-72	JW-18	18 gage stranded wire jumper, non-insulated clips, 18" long
T100-80	IJW-12	18 gage stranded wire jumper, insulated clips, 12" long
T100-82	IJW-18	18 gage stranded wire jumper, insulated clips, 18" long
T100-84	IJW-36	18 gage stranded wire jumper, insulated clips, 36" long
T100-120	HDT 303K	Pocket digital thermometer, range: -58° to +572° F
T100-125	T-160	Pocket dial thermometer, range: -40° to +160° F
T100-130	T-220	Pocket dial thermometer, range: 0° to +220° F

Appearance of testers and thermometers may vary from those shown
