FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

KCC Warning

해당 무선 설비는 운용 중 전파혼신 가능성이 있음.

Scope

This part of IEC 61000 for EMC immunity requirements applies to electrical and electronic equipment intended for use residential, commercial, public and light-industrial locations. Immunity requirements in the frequency range 0 Hz to 400GHz are covered. No tests need to be performed at frequencies where no requirements are specified.

The generic EMC immunity standard is applicable if no relevant dedicated product or product family EMC immunity standard exists.

The standard applies to electrical and electronic equipment intended to be operated in

- Residential locations, as defined in 3.8. both indoor and outdoor.
- Commercial, public and light industrial locations, as defined in 3.9. both indoor and outdoor.
